Hafiz Elfia Wedo Putra

Student of BINUS University
Serang

Summary

"You have to learn from failure, correct from mistakes so you can be successful."

Hello, my name is Hafiz Elfia Wedo Putra and the Department of Computer Science at Bina Nusantara University (BINUS) with competence in Streaming Database Technology. Interested in technology, and organization. I am also hard worker, have integrity, responsibility and work in a team.

Since childhood, I liked to play computer in elementary school. Because I am interested in taking a technology study program to be able to develop programs and technologies that are useful for others.

I like various programming languages, such as HTML, CSS, PHP, Java, Database and also like to do data analysis. Besides that, I also like to create new programs like myself, including cashier websites in stores, vaccination data in Indonesia and making simple games that are useful for others. I am very happy to learn in the field of Computers and coding.
